

**TRUSTED WHEREVER
THE MISSION LEADS**

EHS POLICY STATEMENT

To Adapt, Collaborate, and Transform

In support of our Vision and Values, V2X is committed to Environmental, Health, and Safety (EHS) excellence. V2X is committed to providing programs and practices that guide and assist all employees in protecting each other, the communities we operate in, our environment, and the customers we serve.

V2X accomplishes this through:

- Continual improvement of the EHS Management System and overall EHS performance.
- A commitment to exceptional environmental performance and sustainable practices.
- Establishing environmental governance through pollution prevention, the sustainable use of natural resources, and managing significant environmental impacts.
- Compliance with all regulatory, customer, and corporate EHS requirements.
- Ensuring a safe and healthy workplace through the engagement of all V2X employees and stakeholders.
